PROJECT DESCRIPTION

The Tirana Parks and Recreation Agency aims to expand and diversify Tirana's sporting facilities and provide opportunities for people to practice among other activities soccer, tennis, basketball, volleyball and swimming. The project is part of Tirana's Lake Grand Park Master Plan, which envisions the creation of a modern sporting area. The project foresees the building of parking areas, roads and paths, sport courts, accompanied by all the necessary facilitating infrastructure. The integration of the facilities within the Grand Park through landscaping is an important part of the project.

OVERALL OBJECTIVE

1. Creation of a sporting area of modern standards, within the territory of the Tirana Lake Grand Park.
2. The promotion of sporting activity values.
3. Creating new activities within Tirana's Grand Park.
4. Educating the younger generation on the importance of sports.
5. Transforming the area in the south-west of the Grand Park into a major attraction.

PRELIMINARY IMPACTS

The project will have a positive impact on the life of Tirana's citizens as it will provide quality entertainment, especially for families and young people. This project has the potential to transform the area into an important recreational venue for both local people and visitors.

In return this will generate considerable income for the municipal budget, which could be used to further develop the park. The Sport Park will also have a very positive impact on the local businesses and the local residents and their families. The Sport Park will also bring significant educational benefits for the community by offering a range of organized events and sport activities.
